

*base.h*

```
graph BT; interface_h[interface.h] --> base_h[base.h];
```

A diagram illustrating a file dependency. At the bottom is a white rectangular box with a black border containing the text *interface.h*. A vertical blue arrow points upwards from the top center of this box to the bottom center of a gray rectangular box with a black border at the top, which contains the text *base.h*.

*interface.h*
